NO NAME

The eighth Gourmet

Known as "Jack" in the United Kingdom, this Gourmet will kill an entire village's women before he is satiated.

Younger women are his prey; he loves most to savour the flavour and scent of the beautiful.

Any victims he takes a liking to are sucked dry, while the rest are hacked apart brutally.

His ability to identify individuals by scent and forget none allows him to easily evade foes if he smells danger.

To this day, none have sighted this Gourmet, nor do any know his name.

Chief.
Have you
seen Mano,
by any
chance?

Knock
Knock

...ZZZ

Hm
...

He is
asleep.

✕He is able to sense
his Contractor's
current condition

Really?

I
didn't notice
he's returned
... Strange

Should
I check on
him?

I see

I can see
why you
didn't want
to enter.

Kill You!!
I'M WATCHING YOU!
If you look back, I'll kill you.

I assume you
lowered by the
door, and decided
to check his
breathing after
being unable to do
anything, right?
You're like
a stalker.

Oopsie!!

POW!

SNAP

Looks like
the door
just broke?

Scary bastard!

Mano-

You
awake?

...
Huh?

He's
not
here.

where
could he
possibly be
sleeping?

...
What?

Then
...

Who is it,
who is calling
my name...

This voice

oah~♡

I'm fine,
thank you!

...
Huh?

Klak
Klak

The door's
locked?

KYAAAAA!!!

Beautiful
dishes are truly
exquisite.

Be it the
aroma

or the taste.

Men tend to
get in my way,
so I usually get
rid of them,

but I suppose
an exception can
be made occasionally
for a rare delicacy.

Don't you
think?

... this
looks
bad

Mr Hors D'Oeuvre

SWISH

Mm...
Not
bad.

Lick

You see,
there's this
friend of
mine,

he has a strange
taste for contractors'
blood. Hm, so this
is the kind of
flavour he
enjoys.

...
Don't

What to do...

For now,

JUST SAMPLE
ME LIKE
THAT!!

You bastard!

Time to
escape!

Gah!

TAP

SLAM

... Damn,
it won't
open.

... How
about this.

This is the
"Carnival".

By this
point in the
event,

Surely
you don't
want to be
ripped apart
by them,
do you?

our guests
tend to get a
little too...
excited

SL

AM

Now,
where were
we?

Vampire Library

Will be able to

I do not
know,

restrain myself?

What
about
you?

If the one
you were
waiting for
appeared
before your
eyes,

what
would
you
do?

...If it
were
me,

I'd confine
her so she
can't escape,

or
die with
her.

... Truly a scary
bastard.

What a creepy

.....

... HE'S POUTING.

We'll go in
when he begs us
to save him.

HMPP.

YOU'RE ACTING
KIND AND
GENTLE, BUT
YOU'RE JUST
POUTING.

...Hm?

Hey, Mano...
Can you hear
me?

Contractors are
able to speak to each
other in their head.
It's like telepathy,
so just talk to me as if
you are thinking to
yourself.

... Waaaaaah!!!

Is it
really that
shocking?

Now that I think
about it, did I ever
explain contractors'
abilities to Mano?

Hi no,
that's
not it...

Some crazy
bastard is
assaulting me!!

I think he's a
gourmet!!

Relax, you
smell rather
nice.

There is
also this faint
nostalgic scent...

As someone who dislikes
troublesome things, it's rare for
me to prey on a contractor

You
should stay
home!!

...A
gourmet?!

Quickly...
Come quickly!!
I... I'm at...

Gaaah!!
I don't
care
about
that!!

You fool!
Just...

call my
name.

...Ca-

CARVEL!!

FLASH

Are
you all-

WHA-?
YOUR FACE,
WHAT
HAPPENED??

I-IT
HURTS!!

やっ

Louis?

...Long time
no see.

...Lotta?
